IMAGE CREDITS

All images *except for one* were either provided by Cameron through the github repository or were from canva.com which is a paid graphic design platform that has stock images as well. The stock images from canva.com do not have a url link as it's not provided by the canva service - one has to be logged in and use the search platform within it.

GRAPHICS:

FILE NAME	SIZE	CREDIT
(Logo) science-museum-logo-250x-black-v2.png	10.9 kb	Created by Jessica (me) on canva.com - the little scientific graphic was provided by canva
